The information listed above, such as names and e-mail adresses, is used to inform member companies in detail about the activities of the associations. In particular, the information is used to send out eco and EuroCloud news. The regularly issued eco newsletter summarise the most important information on e-business and the other activities of the associations in general. To unsubscribe at any time, please either use the link found at the buttom of each newsletter, or send an e-mail to newsletter@eco.de, newsletter@eurocloud.de or notify the eco office.

**We do not** wish to receive information about the association activities of eco e.V. and EuroCloud Germany ( tick if applicable, please):

Primary Contact  CEO  Marketing Contact  Business Development Contact
